Cable Tie bases are one way tie bases either self adhesive or screw down, used to secure cable ties and therefore cables providing a durable method of routing and securing wire bundles cables or pipes. Their low profile height allows use in the most confined of spaces. R.I.Na. Approval no. 5/206/85.Materials & Finishes:-Nylon 66 Black or NaturalTo Specify use Series Code / Part No (eg 50211 5424)
