

Series: 40101 Type: FN

Flat Nuts

Part No.	Screw Gauge	Dim A	Dim. B	Dim. T
1212	NO 6 AB	13.5	8.6	0.56
0176	NO 8 AB	15.2	9.7	0.61
0177	NO 10 AB	16.8	10.4	0.71
2030	NO 14 AB	24.9	16.0	0.91
0170	3/16 BSW	15.7	9.6	0.56
0164	2BA	15.7	9.6	0.41

FN Flat Nuts are a very cost effective light weight way of providing thread forms that can be slipped into location areas on components to enable mating parts to be screwed to them. The bow in the clip provides spring retention in the location and acts as a shock absorber in vibration conditions.
